dw8xlce - dw7 original costume pack 3

It's exactly like it says on the tin. ignore the previous reviewer. the content displayed in the pack is present.

But really, it's just a costume pack. if that's what you're looking for, then you won't be disappointed.

Find it odd that it's labeled as "original costume 2" in-game, though.. This is a fantasy themed costume pack, very risky this one, one themes will appear to be nice and then others namely zhen ji were completely butchered.

Once again its a costume pack so it gives you costumes(not in campaign)
